When determining your monthly rate:

- Family means three or more.
  - For Couple or Family, the oldest person on the application determines the rate.
  - For a Family with more than six people, add 30%.
  - Additional Coverage Options can only be purchased with a health plan.
- Applicants 80 years of age or older are only eligible for travel coverage in Canada.
  - Based on your medical history, you may be assessed a premium adjustment, be excluded for certain benefits or be declined coverage.

Generations of Canadians have counted on us.  
You can, too.

In 1949, well over a decade before Saskatchewan would introduce the world to Medicare, a determined group of friends and neighbours joined an equally determined group of doctors in one common pursuit: quality, affordable health insurance.

Everyone would contribute a small sum each month to make sure that, in the event of unexpected illness or injury, they and their loved ones would be well taken care of – and so would the bill.

Group Medical Services was born. Today, GMS endures as a preferred provider of health and travel insurance, covering a vast range of costs government and other private benefit plans do not. And we’ve been extending our trademark combination of service, choice and value across Canada since 2003 – to enthusiastic and continually growing response.

Much has changed in over 70 years, but here’s what never will:  
Our commitment to protecting you.
